Saint of the Week

St. Peter Claver, Confessor
September 9

Peter Claver was born in Catalonia. As a young man, radiant with innocence, he entered the Society of Jesus. While he was studying philosophy, he was instructed by St. Alphonsus Rodriguez in the secrets of higher virtue. After his ordination to the priesthood at Cartagena in South America, he made a special vow to devote his whole life to the Negroes brought to that port by the vicious slave trade. It is beyond the power of words to describe the patience and charity with which he labored for more than forty years, taking care of the Negroes, feeding them, nursing them, imparting the teaching of Christ to them and baptizing them. Labors made illustrious by God with the grace of healing. After working all day long, he would spend his time far into the night at prayer and at harsh penances, of which it seemed he could never get enough. He had reached the age of seventy-one when, struck down by bodily infirmity, he was forced to lie ill in his cell for the next four years. Finally, on the birthday of the Mother of God, for whom he had had a most tender love, he made his journey to Heaven. Leo XIII enrolled him among the Saints and declared him the special heavenly patron of missionary enterprises among Negroes.

Prayer for 9/11 15th Anniversary

*God so much violence, so much pain, so much heartache.
May our remembrances of this day instill within us a
horror of war,
And help us stand against the atrocities caused by
terrorism.*

*As we grieve with those who still mourn,
And share memories with those who cannot forget,
May we be stirred by your love and compassion for all.
As we remember those who bravely responded,
And gave their lives to save others,
May we draw strength from their selfless sacrifice.
As we stand with strangers who became neighbours that
day,*

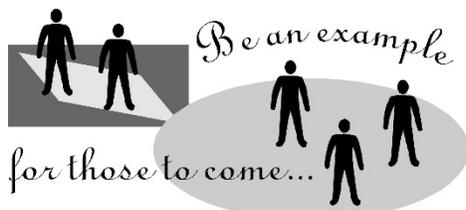

*Sharing and caring for people they did not know,
We give thanks for their generosity and hospitality.
May it remind us of the call to be good Samaritans,
Reaching out across race and culture to other victims of
violence.
So many in our world have lost loved ones to terrorism
and war,*

*So many have been displaced from homes and country,
May their plight fill us with a longing for peace.
Let us seek for understanding and reconciling,
And not turn from your kingdom ways.
Above all God may we remember your faithfulness,
And learn to trust in your unfailing love.
Amen*

Simplicity

**Give us faith to trust You,
To know that You are there.
Remind us we should come to You
In all our ark despair.
Keep us ever near You
When You seem far away.
Hold us in Your loving arms
Each and every day. We beg You for
Your mercy
When we've begun to stray
Accept our humble praise and thanks
This is what we pray.**
